

Learning Objectives

- Review clinical pearls in emergency medicine in a fun and interactive way.
- Explain selected topics in emergency medicine in current events.
- Identify some of the common myths surrounding neonatal resuscitations.
- Identify myths concerning ketamine use.
- Identify myths surrounding propofol use in children.
- Differentiate between healthcare-associated MRSA and community-acquired MRSA.
- Describe the mechanisms of antibiotic resistance and transmission for MRSA.
- Explain what is to be expected when being interviewed by the media.
- Provide tips on dealing with the media and how to get a message across accurately.
- Review major ACEP initiatives.
- Enlist involvement of NJ-ACEP members.
- Engage in dialogue with NJ-ACEP members on how to increase effectiveness for ACEP's mission.
- Identify key points in each assigned reading selection in order to prepare to take the LLSA exam.
- Discuss Emergency Medicine Board certification criteria.
- Review and complete questions and answers for each mandatory article.
- Explain the role of ultrasound in facilitating vascular access.
- Discuss how to perform bedside emergency cardiac and aortic imaging.
- Show how to utilize bedside ultrasound in the assessment of the trauma patient.

NJ-ACEP 2008 Scientific Assembly

sponsored by

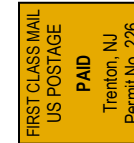

New Jersey Chapter

American College of Emergency Physicians

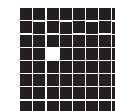

Tuesday, May 13, 2008

***The National Conference Center
at the Holiday Inn, East Windsor, NJ***

The New Jersey Chapter of the American College of Emergency Physicians is proud to present this year's exciting program. The annual NJ-ACEP Scientific Assembly has been designed and coordinated by Dr. Scott Mankowitz, NJ-ACEP Education Committee Chairman. The Scientific Assembly offers current information on timely issues and current techniques to help emergency physicians, residents and emergency health care providers enhance their practice. The courses will be presented by faculty selected for outstanding teaching ability and expertise in their specified field within emergency medicine.

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of ACEP and NJ-ACEP.

The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The American College of Emergency Physicians designates this educational activity for a maximum of 8 AMA PRA Category I Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Approved by the American College of Emergency Physicians for 8 hours of ACEP Category I credit.

Disclosure

It is the policy of the American College of Emergency Physicians to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. All faculty participating in sponsored programs by ACEP and NJ-ACEP are expected to disclose to the program audience any associated or apparent conflict(s) of interest related to the content of their presentation(s).
