

NEW JERSEY CHAPTER
**AMERICAN COLLEGE OF
 EMERGENCY PHYSICIANS**

**Nominate a Colleague for the
 NJ-ACEP AWARDS PROGRAM!**

Background: In 1999, the NJ-ACEP Board of Directors approved creation of a new NJ-ACEP Awards Program to recognize leadership and excellence among the members in the New Jersey chapter. The program provides an opportunity to recognize all members for their significant professional contributions as well as service to the Chapter and to the College. All members of the Chapter are eligible to participate in one or more of the Chapter's award programs.

Selection Process: Annually, the NJ-ACEP President will appoint an Awards Committee, to be comprised of three NJ-ACEP members, representing diverse areas geographically and in terms of practice (large group, hospital-based, etc.) The President and Executive Director shall serve in an ex-officio, non-voting capacity. The Committee will be responsible for promoting the awards program, approving the nomination application form, soliciting nominations, reviewing nominations, developing an integral scoring process and selecting the winners in each category. Each individual can receive only one award in any given year. Winners will be informed shortly after the deadline and will be presented during the NJ-ACEP Annual Membership Meeting, usually held in May. In addition, the winners will be publicized in NJ-ACEP News.

Award Categories/Criteria:

Distinguished Service Award is presented to a member of the College who has made outstanding service to the New Jersey Chapter by significantly helping to achieve one or more of the Chapter's goals and objectives.

EMS Award is presented to a member of NJ-ACEP who has made an outstanding contribution in the area of EMS in the State of New Jersey.

Academic Achievement Award is presented to a member of NJ-ACEP who has made a significant contribution to academic emergency medicine.

"Good Government" Award is presented to a member of NJ-ACEP who has helped to achieve significant accomplishments in the areas of legislative or regulatory activity, either at the State or Federal level.

Clinical Expertise Award is bestowed on a NJ-ACEP member who has shown outstanding expertise in the "hands on" clinical practice of emergency medicine.

Resident of the Year Award is presented to a resident who has shown significant clinical expertise and leadership or contribution to the field of emergency medicine.

Medical Student of the Year Award is presented to a student from a New Jersey medical school who has shown significant clinical expertise and leadership or contribution to the field of emergency medicine.
