

GENERAL INFORMATION

We cordially invite all emergency physicians to attend the 5th Annual Caring for New Jersey's Children Conference as we offer our first physician continuing medical education track. This event was developed to highlight ways to improve the quality of care you provide to children.

Immediately following the CME sessions will be an open meeting of the American College of Emergency Physicians (ACEP) – NJ Chapter, Pediatric Council. This Council was formed to provide a forum for networking for all physicians who care for children in the emergency setting. Members of the American Academy of Pediatrics are encouraged to attend!

A registration fee of \$35 will provide each participant with three continuing medical education credits (Category I CME), refreshments (including lunch) and conference materials.

Registration and payment (check or money order only) are due by May 10, 2004. Make the check or money order payable to: Treasurer, State of New Jersey. Due to limited seating, there will be no on-site registration.

This conference is sponsored in part by MC 00134 01 from the Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau.

ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of ACEP and NJ-ACEP.

The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American college of Emergency Physicians designates this education activity for a maximum of three Category I credits toward the AMA Physician's Recognition Award. Each physician could claim only those hours of credit actually spent in the educational activity.

Approved by the American College of Emergency Physicians for 3 hours of ACEP Category I credit.

DISCLOSURE

It is the policy of the American College of Emergency to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. All faculty participating in sponsored programs by ACEP and NJ-ACEP are expected to disclose to the program audience any associated or apparent conflict(s) of interest related to the content of their presentation(s).
